# SPACE BAG

a true friend is someone who reaches for your hand and touches your heart.  
the worst way to miss someone is to be sitting right beside them knowing you can't have them.  
never frown, even when you are sad, because you never know who is falling in love with your smile.  
in the world you may be one person, but to one person you may be the world.  
don't waste your time on a man/woman, who isn't willing to waste their time on you.  
maybe god wants us to meet a few wrong people before meeting the right one, so that when we finally meet the person, we will know how to be grateful.  
don't cry because it is over, smile because it happened.

## SPACE BAG

we live, more brief appear  
succeeding stages;  
childhood seems a year,  
like passing ages.

we current of our youth,  
yet disorders,  
ring like a river smooth,  
away borders.

we-worn sheets grow wan,  
our shafts fly thicker,  
at measure life to man,  
our courses quicker?

we have lost their bloom and breath  
our life is vapid,  
reach the falls of death,  
is it more rapid?

we strange-yet who would change  
us to slower speeding,  
why one our friends have gone  
or bosoms bleeding?

we see our years of fading strength  
and flying fleetness;  
if youth, a seeming length,  
had their sweetness.

You're everything I need#I look at you and  
know#That you are all to me.

Cause I've never felt this way  
You can see it by the smile on my  
face There's no reason why  
I can't keep you satisfied  
You look at me and I look at you  
I know automatically what to do  
You are the only one I dream of  
You are the one that makes me feel love lose your eyes  
and I'll take you there  
Just throw away your cares
